3. Review of Future Meetings Agenda
4. Proposed Grant from Embrace Colorado – John Daggett
Postponed

Note from John Daggett:

We have decided we're not ready to put a grant application forward during this funding cycle of the Sustainable Communities Initiative. We will continue to work on developing support for a future application, but we need additional time to prepare a competitive and compelling grant request and it would be premature to ask the Windsor Council for support at this time.

Please pull our item from Monday's agenda. I hope this gives the Council some added time to focus the other important items on the agenda as I know how busy agenda's can be.

Please know that we appreciate the time and effort both you and Kelly have spent on our behalf. We will visit again in the near future about the grant cycle for FY 2011.

Thanks again for your help.

Best Regards,

John
