

Welcome to Windsor! We are excited that you have chosen Windsor as your event location! This application packet will guide you through the process of applying for a Special Event Permit. The Town of Windsor Event Supervisor will be your point of contact throughout the process, answering all your questions, coordinating all your approvals internally, and issuing your permit. The success of your event relies upon you providing us with complete and detailed information. Our role is not to plan your event, but to help you with the process, approve required permits, and to head off any potential problems or concerns.

In an effort to make the event application experience as smooth and efficient as possible, we have created a book of guidelines to accompany the application. Please begin your application by downloading the "Special Events Guidelines" PDF from the Town of Windsor website, where you will find answers to many of your questions and an explanation of the steps required to complete your application and obtain the permit for your event.

How do I know if I need a ***SPECIAL EVENT PERMIT***?

Our parks and trails are open for all to enjoy, and some gatherings and uses of city facilities, including many parks and trails, do not need to obtain a special events permit. A permit is required for the use of all or any portion of a public street, sidewalk or alley by an organized assembly of more than 100 people, or if your activity meets one or more of the conditions listed below and is not regulated by a Park Shelter Agreement. Answering a few simple questions on this helpful checklist will help you determine if your event is required to obtain a Special Event Permit.

- Is the anticipated attendance 100 or more people?
- Will there be alcohol consumption or sales?
- Will you have vendors at the event who are selling goods or services (like a yoga class)?
- Will you be using amplified sound, other than a small, personal speaker for announcements?
- Will your event close or change the traffic pattern of a street or alley?
- Will your event impact the public use of a park or natural resource?
- Will you be using any temporary structures, like tents (larger than 10x10), bleachers, blow up structures or stages?

If you checked any of the above questions, then you will be required to apply for and obtain a Special Event Permit for your event. If you did not check any of the boxes, you may be able to hold your event without obtaining a permit or by renting a park shelter or pavilion through the Community Recreation Center at (970) 674-3500. Please contact the Special Event Supervisor for more information about holding your event.

The Town of Windsor, Colorado is committed to proper environmental stewardship. Protecting both natural resources and the region’s physical beauty, the Town endeavors to practice stewardship both in its internal operations and planning with outside entities. Special Events are an important part of the local economy and are enjoyed by countless patrons. However, the Town of Windsor does recognize that they have the potential to generate large amounts of waste. To cut down or eliminate the quantity of waste produced in town parks. The Town of Windsor has identified the following goals:

- To completely eliminate the use of Styrofoam within all town parks;
- To reduce the amount of waste sent to the landfill;
- To educate event organizers and vendors about alternative materials and “recycle/re-use/reduce” practices and provide resources to assist in waste management at special events.

Waste containers are available at parks. Recycling is encouraged at all events, but organizers may be required to provide recycling for larger events held in Windsor parks as a condition of their permit from the Parks, Recreation & Culture Department.

- Event coordinators are welcome to utilize existing containers, but are responsible for removing all materials from the containers to the dumpsters prior to vacating the park.
- Events which expect 300+ attendees should plan on providing at least one additional trash dumpster. Please consult with a waste management company to determine the best fit for your event.
- Drop-off/pick up of dumpster and location must be approved by the Town. Dumpsters must be removed following the conclusion of the event.

Failure to follow proper clean up procedures may result in forfeiture of deposit and a rejection of future event permit applications to the Town of Windsor.

- Size of event **does not** require additional waste services. As the Event Coordinator, I am responsible for ensuring all trash has been picked up from event area, removed from containers and taken to the appropriate dumpster prior to vacating the park.
