Welcome to Windsor! We are excited that you have chosen Windsor as your event location! This application packet will guide you through the process of applying for a Special Event Permit. The Town of Windsor Event Supervisor will be your point of contact throughout the process, answering all your questions, coordinating all your approvals internally, and issuing your permit. The success of your event relies upon you providing us with complete and detailed information. Our role is not to plan your event, but to help you with the process, approve required permits, and to head off any potential problems or concerns.

In an effort to make the event application experience as smooth and efficient as possible, we have created a book of guidelines to accompany the application. Please begin your application by downloading the “Special Events Guidelines" PDF from the Town of Windsor website, where you will find answers to many of your questions and an explanation of the steps required to complete your application and obtain the permit for your event.

How do I know if I need a SPECIAL EVENT PERMIT?

Our parks and trails are open for all to enjoy, and some gatherings and uses of city facilities, including many parks and trails, do not need to obtain a special events permit. A permit is required for the use of all or any portion of a public street, sidewalk or alley by an organized assembly of more than 100 people, or if your activity meets one or more of the conditions listed below and is not regulated by a Park Shelter Agreement. Answering a few simple questions on this helpful checklist will help you determine if your event is required to obtain a Special Event Permit.

- Is the anticipated attendance 100 or more people?
- Will there be alcohol consumption or sales?
- Will you have vendors at the event who are selling goods or services (like a yoga class)?
- Will you be using amplified sound, other than a small, personal speaker for announcements?
- Will your event close or change the traffic pattern of a street or alley?
- Will your event impact the public use of a park or natural resource?
- Will you be using any temporary structures, like tents (larger than 10x10), bleachers, blow up structures or stages?

If you checked any of the above questions, then you will be required to apply for and obtain a Special Event Permit for your event. If you did not check any of the boxes, you may be able to hold your event without obtaining a permit or by renting a park shelter or pavilion through the Community Recreation Center at (970) 674-3500. Please contact the Special Event Supervisor for more information about holding your event.

Special Event Rules and Regulation

All applicants will pay a $25 non-refundable application fee and a $250 refundable deposit at the time the application is submitted to secure the date. All applicable fees will be paid to Windsor Parks, Recreation & Culture prior to issuance of permit.

A site plan of your event must be submitted identifying the location of stages, vendor booths, portable toilets, registration area, etc. Applications may require review by the Town of Windsor Parks, Recreation & Culture Special Events Review Committee approval or denial. Need for review is based on size, scope and impact of event.

The organization/individual shall procure and maintain, at its own cost, general liability insurance in the amount of not less than $1,000,000, Combined Single Limit (CSL) per occurrence. Insurance must be acquired before an event and maintained throughout the duration of the event, including set-up and dismantle period. The Town of Windsor must be named as Additional insured. The additionally insured language should read: “The Town of Windsor is named as additionally insured as respects General Liability and Automobile Liability. A waiver of Subrogation in favor of the Town of Windsor applies to Workers Compensation.”

All debris and trash must be removed from an event site immediately after the event. Failure to follow proper clean up procedures may result in forfeiture of deposit and a rejection of future event permit applications to the Town of Windsor.

The safety of the event and participant is the utmost concern of the Town. For use of Town streets, a Traffic Control Plan that meets the Model Traffic Code standards must be included with the completed application. If traffic control is not provided as represented in the application, the Town reserves the right to shut down the event.

Adequate crowd control, ingress and egress control, noise control, restroom facilities, and space for anticipated number of participants is required.

In some cases, the hiring of officers from the Windsor Police Department, a professional security company, or a combination of both may be required by the Department of Parks, Recreation & Culture. The Windsor Police Department determines the need, number, and type of security personnel based on expected attendance, location of the event, the presence of alcohol, history of the event, nature of the event, street closures, and the amount of advertising used for an event.

The Windsor Severance Fire Department must review and approve the following: your plans for first aid and/or emergency medical services; your route for emergency vehicle access; use of an open flame; handling of vehicle fuel; cooking facilities; the location of power sources; the availability and location of on-site fire suppression equipment; the occupancy and spacing of tables or enclosures; and the use of tents, canopies or any fabric shelters. The Fire Department may require an inspection at your cost before and/or during the event.

As an applicant for a Special Event, I certify that I have read and understand all of the fees, requirements, conditions and procedures as described in the Special Event Guidelines and Park regulations. I agree to comply with each of these requirements, conditions and procedures. I agree that my deposit may not be returned to cover the repair any damage incurred as a result of the event.

I agree to indemnify and hold harmless the Town of Windsor, and all Town of Windsor officers, employees, agents and representatives, from any claims (including costs of defending such claims) or damages that may arise from the occurrence of the Park Event or from related events.

I understand that a Special Event does not excuse failure to comply with orders of law enforcement personnel, firefighters or other emergency workers, and that it does not provide immunity from civil claims of third parties that are based upon damages occurring at, or in conjunction with, special events.

The permit holder and all persons in his organization or group shall comply with the rules and regulations of the TOWN OF WINDSOR and the laws of the STATE OF COLORADO. Any violation thereof shall render permit void. In consideration of the granting of permit, the user, on behalf of himself and all individuals using the facility, agree to hold the Town of Windsor, its agents, officers and employees harmless from any injuries of whatever kind or nature resulting from the use of the named facility.

In addition, Alcohol cannot be sold without a special events permit. PLEASE NOTE: Regulations and fees are subject to change. I hereby certify that I am of at least 18 years of age, and have read and understand all of the provisions of this permit and all specifications under which it is issued and I further certify that I will personally advise all participants of these provisions prior to the event and as many times thereafter as may be required, to include advisement that violation may subject me and all participants to revocation of this permit and to be prosecuted under Town Ordinances and/or state laws that are violated.

Waste Management Plan FORM #4

All events need to complete and submit this form

The Town of Windsor, Colorado is committed to proper environmental stewardship. Protecting both natural resources and the region’s physical beauty, the Town endeavors to practice stewardship both in its internal operations and planning with outside entities. Special Events are an important part of the local economy and are enjoyed by countless patrons. However, the Town of Windsor does recognize that they have the potential to generate large amounts of waste. To cut down or eliminate the quantity of waste produced in town parks. The Town of Windsor has identified the following goals:

- To completely eliminate the use of Styrofoam within all town parks;
- To reduce the amount of waste sent to the landfill;
- To educate event organizers and vendors about alternative materials and “recycle/re-use/reduce” practices and provide resources to assist in waste management at special events.

Waste containers are available at parks. Recycling is encouraged at all events, but organizers may be required to provide recycling for larger events held in Windsor parks as a condition of their permit from the Parks, Recreation & Culture Department.

- Event coordinators are welcome to utilize existing containers, but are responsible for removing all materials from the containers to the dumpsters prior to vacating the park.
- Events which expect 300+ attendees should plan on providing at least one additional trash dumpster. Please consult with a waste management company to determine the best fit for your event.
- Drop-off/pick up of dumpster and location must be approved by the Town. Dumpsters must be removed following the conclusion of the event.

Failure to follow proper clean up procedures may result in forfeiture of deposit and a rejection of future event permit applications to the Town of Windsor.

- Size of event **does not** require additional waste services. As the Event Coordinator, I am responsible for ensuring all trash has been picked up from event area, removed from containers and taken to the appropriate dumpster prior to vacating the park.

Complete this form if you are serving alcohol, having security at your event or if the PD is requiring security at your event.

The Windsor Police Department reserves the right to specify the need for and number of off-duty police officers or security personnel required to be in attendance at any event. The Windsor Police Department will review all special event applications for required security arrangements. The safety of the community and attendees are of primary concern at all times. Areas that will be considered include, but are not limited to location, time of day, anticipated crowd size, availability of alcohol and traffic impacts. Please be sure to include this and other pertinent information in your event description summary.

- The applicant has hired its own independent, licensed security staff for the event:
  - Security Firm Name: _____________________________
  - Contact Person: _________________________________
  - Phone: _______________________________ Email: ___________________________________

If you intend to sell or provide alcoholic beverages to attendees, you must apply for a Special Event Liquor Permit. To make a decision about event security it is important that the Windsor Police Department has the following information:

- A map showing in detail the boundaries of the area you are requesting be part of the permitted area for alcohol possession and service. This can be a copy of the map or site sketch being submitted for the Special Event Liquor Permit, but must be submitted as an additional attachment.
- The location of event security personnel must be noted on the event site plan sketch, which needs to be attached to this application. All access and egress points must be indicated on the site plan.
- Provide a detailed description of how you as the event holder plan to delineate the boundary of the permitted area so that those in possession of alcohol are aware of the boundaries. Include what type of barricades you will be using; attach a separate page if necessary.
- Provide a detailed description of how you as the event holder will prevent those in possession of alcohol from leaving the permitted area while in possession of alcohol as well as how you will otherwise prevent the transfer of alcohol to areas outside the boundary.

I have read, understand and agree to the conditions as set forth by the police department and any other conditions deemed appropriate.
