Re: Windsor Highlands Park Tree Audit
Item #: D.1.

Background / Discussion:

One of the goals established for the Tree Board for 2018 is to audit 2 parks throughout the year. Main Park was audited in March 2018 and Windsor Highlands Park is second of two and will complete this goal. We will walk the site and look at diversity, condition and available planting sites. Dedicated in October 2005, Windsor Highlands is the first park to be established in the west side of town and is very popular neighborhood park.
