WATCH OUT FOR

# PORCH PIRATES

For many, the holidays signal the start of a busy online shopping season but in reality, year-round package delivery is becoming more and more commonplace. The Town of Windsor Police Department wants to remind residents to be vigilant during the holiday season and throughout the year as packages arrive.

Consider following these tips to thwart package thefts:

- Ask a neighbor to pick up a package if you're away from home
- Offer to pick up a neighbor's packages for them
- Request for packages to be sent to your post office or participating location
- Call the Windsor Police regarding suspecting package theft
- Share surveillance footage of a package theft in action

It's important to note that Nextdoor, Facebook, Twitter and Instagram are not replacements for our local police department. If you fall victim to porch pirates, please report it by calling the Windsor Police immediately.

## TOWN OF WINDSOR CHRISTMAS TREE RECYCLING PROGRAM

EASTMAN PARK SOUTH,  
LAKU LAKE ROAD

New tree recycling location open Thursday,  
Dec. 26, 2019 through Friday, Jan. 24, 2020

The Town of Windsor will recycle live Christmas trees at no-cost for residents at Eastman Park South near Treasure Island Demonstration Garden off of Laku Lake Road. Trees must be free of decorations including wire, hooks, tinsel, tags, plastic and lights. Artificial trees not accepted.

## HOLIDAY COOKING REMINDER KEEP FATS, OILS & GREASE OUT OF THE DRAIN

Fats, oils and grease are bad for your plumbing and the town's sewer system.

Once in the system, fats, oils and grease can harden and cause clogged drains, potentially causing costly repairs for the homeowner.

Degreasing your drain DOES NOT prevent clogged pipes and creates a greater environmental problem.

Scrape cooled grease and food scraps into the trash for disposal. This helps prevent grease from damaging pipes.
